II. CASES OPENED

a. HUBER, Auguste Richard Alexandre - Subject will be known in the future by the SCI operational case-name BISON.

SCI 12 AG reported subject as an auxiliary policeman at METZ and informant for French TR since the liberation of the city. Subject held a clerical position at German barracks, METZ; was in constant contact with Hauptsturmfuehrer NOLSCHER, who had been left in charge of the barracks by Col. KEMPER, C.O. of SS Signals Officer Candidate School which moved from the METZ barracks to NURNBERG. Subject was on good terms with NOLSCHER's assistant, Obersturmfuehrer BULIMAN.

NOLSCHER proposed that subject accompany him to Germany where he would be given employment in the SS Signals School as a civilian employee. Subject refused and went into hiding to await the arrival of U.S. troops.

Born, TERNEL (Moselle) 20 August 1918; now living METZ, 8 rue Aufsome. Father is Leon HUBER, restaurateur in ALGRANGE; mother is Augustine SCHLICK, now living with her husband; brother is Marcel HUBER, Commissaire in Surete National, VICHY; uncle is Auguste SCHLICK, now living in MERZIG (Saare), sentenced in 1938 to fifteen years for espionage, and freed by the Germans.

IV. CASES OPERATING

✓ a. OSTRICH - One of the first members of the JEANNE-Bosekow sabotage ring to be apprehended by SCI. OSTRICH is about to initiate a special operation which it is believed will bring additional German agents under Allied control. As a result of this operation, SCI expects to have a more comprehensive picture of SD sabotage plans, methods and personnel.

b. CANARY - In PARIS this week, SCI instructed subject to make certain contacts which will lead to the apprehension of members of the JEANNE sabotage and stay-behind group who remain in PARIS. CANARY is also acquainted with agents in PARIS who are charged with providing assistance to women agents, trained by LAGDERE, Milicien in German held territory and sent on missions for the GIS in the interior of France.

Subject awaits the arrival of a friend who is the secretary of an enemy espionage reseau operating in the south of France, hitherto unknown to SCI. SCI has directed JIGGER and THORN to collaborate with CANARY on plans for the penetration of this group.
